

10th June, 2011

Dear Corporate Sponsor/Member,

Municipal Works Officers Association Annual Dinner - 2011

We are writing to you in relation to our Annual Dinner that is being hosted by Whittlesea City Council on Friday 12th August, 2011 at; Plenty Ranges Arts & Convention Centre, 35 Ferres Boulevard South Morang.

The major motive behind this premier event is to encourage networking and fellowship between Local Government and Private Sector. The function is an ideal forum for all staff and suppliers to local government, to socialise and to encourage and develop new relationships throughout our industries, and to discuss informally during the evening all types of issues that affect our operations and careers.

But there's more, being formed in 1936 we are happy to announce that we are also celebrating our **"75th Anniversary"**.

The MWOA is a group of over 550 members and suppliers to the Local Government industry throughout Victoria. Its main objective is to assist with the education, development and networking of all aspects of Local Government works in particular construction, maintenance of assets and community services.

The MWOA has been structured to provide members with a forum for professional networking and fellowship, and as well as opportunities for training, the exchange of ideas, information and technology.

To assist the MWOA and our host Whittlesea City Council, in providing a social networking environment, it would be greatly appreciated if your company would support the MWOA by sponsoring the Dinner through one of the sponsorship categories listed below;
