Executive Director*

EXECUTIVE REPORT:

The MWOA website is currently undergoing some upgrading procedures. It is anticipated to use the web as a Bulletin Board for members with post discussions on issues relating to our industry or your concerns on various job or product related issues.

We are also looking at introducing an "E NEWS" for members & to be distributed on a regular basis & obviously we will require your email address for you to take full advantage of this modern way of communication.

The next issue of ACCESS will be sent out in 3 weeks & will acknowledge;

Life Membership of Graham Gregson, the 44th Annual Dinner, & the National Works & Engineering Conference.

Happy to announce the 45th Annual Dinner to be hosted by Moreland City Council on the 7th August 2009.

GOLF

We have a new venue for our golf next year, "Gisborne" (see attached) so please register your team early to be guaranteed a game (had to knock back a few last year) Our main sponsor is SuperSealing, & Corporate Sponsorship to sponsor a "HOLE" is now available.

Syllabus

It is anticipated to have the syllabus distributed with the ACCESS magazine, if all goes to plan?

Main Sponsor Profile:

CityWide is a diverse company shaping and maintaining high performance assets.

We deliver the full scope of environmental and civil infrastructure services, supported by expert advice to government, commercial private enterprise.

We have a strong reputation for service innovation and the quality of our work, and we are a trusted partner in our customers' growth and development. CityWide has enjoyed impressive growth since its establishment in 1995 and we now lead Australian industry in the core services we provide.

Our corporate structure consists of seven integrated business units organised into two main divisions: Environmental Services and Infrastructure Services. These divisions are supported by a highly experienced corporate services team and incorporate:

- **CityWide Roadcare** – asphalt production and paving operations
- **CityWide Civilcare** – civil contracting, drainage works, infrastructure construction and maintenance services, major event management
- **CityWide Metercare** – metering maintenance services
- **CityWide Envirocare** – waste and recyclable collections, MRF (Materials Recycling Facility) and transfer station operation and management
- **CityWide Urbancare** – street sweeping, major event management and graffiti removal
- **CityWide Treecare** – arboricultural services
- **CityWide Parkcare** - horticultural services, open space management, landscape street design and construction.

CityWide is responsible for creating and maintaining many of Australia's most valuable metropolitan and rural infrastructures. From world heritage listed gardens to the nation's biggest road projects, CityWide is a leader in innovative, sustainable asset management.

We enhance the lives of urban communities by improving sustainable city landscapes through innovation, environmental foresight and attention to detail.

Co-Sponsor Profile:

Ingal Civil Products is Australia's leading manufacturer and supplier of road safety barriers. At Ingal Civil Products we pride ourselves on having made a significant contribution to the safety of our region's roads. The company was the first to introduce FLEXBEAM and THRIEBEAM guardrail to the region and continues to invest in the development of new products. Our product range has grown to include FLEXFENCE Wire Rope Safety Barrier, TRACC Crash Attenuation Cushions, the ET2000 Plus Terminal and many other products designed to protect motorists from roadside hazards.

We are proud of our reputation as a supplier of innovative, high quality products backed by our professional sales representatives. Customer service is a high priority to Ingal Civil Products and in keeping with this philosophy we have established distribution centres and sales offices in Sydney, Brisbane, Melbourne, Perth and Adelaide. This ensures that the company's sales representatives are well positioned to service your needs with prompt attention.
